Call to Order: George Mango opened the meeting at 6PM. Kim was away celebrating her birthday. Sadly, she was not present for the brownies her son baked for her. All in All, we sang happy birthday to her and ate the brownies. They were really good. A good turnout for this evening meeting with members in good song and spirit.

America.

Students gather as a group in this 10,000sq. foot space constructed with a variety of rooms representing all facets of a Community. Students learn about the business, utilities, not for profit enterprises, and government. They learn how to balance a checkbook, do billings, fund raise, and observe how their decisions affect their community. Brian Kesel, George Mango and John Rohner volunteered as mentors. We were extremely impressed with the student's commitment, maturity and industriousness. The union of Rotary Interact with the middle schoolers promises to be an excellent benefit to our community and its youth.

Selection of officers for the new year must be decided upon before 2016 ends. Members step up! We need your involvement.

Next meeting: 12/13/2016 at the Coppertop Restaurant.
