Another project we took on this month is Books of the World, a District and National Rotary project. Club members were joined by 7150 District members, and packed and loaded two skids of quality books donated by the Solvay Library and its friends. There were 48 fully packed boxes that we shipped overseas.

A special thanks to Andy Picco, owner of Office Solutions for providing his time, truck and delivery services to the Airport shipping Company,

Guest Speaker:

Laurie Black gave a thorough presentation on the need for reading to our infants and children. Lauri is director of the Early Childhood Alliance, whose purpose is to see that all young children in Onondaga County are healthy, thriving, and ready to succeed in school.
