Kim Frodeliue and sponsor Joe Gryga present Membership certificate to our newest member Kathleen Oot Quinn. Kathleen currently lives in Marcellus and planning a move to Camillus. She provides Advocacy services for MSA Advocates Inc. and works with youth and bicyclists at Skinny park in Syracuse. We welcome Kathleen

Tuesday's evening meeting at Twin Trees Too was lightly attended. President Kim introduced her daughter, Noel and husband, Kellen who were visiting from Seattle, Washington. Kim's daughter is employed by the Seattle Asian Art Museum in Seattle and speaks fluent Japanese. She shared how the Rotary student exchange program influenced her vocation, and how it plays a role in her international endeavors.

With a synopsis of things to come, President Kim reported on our clubs activities. A brief discussion on the holiday party coming up in December was had. And decisions were put off to a future meeting.

50/50 ticket belonged to Kathleen our new member and elected to draw a card. The Queen lives on.

A special thanks to the member who attended the meeting and we look forward towards seeing you all on Tuesday the 8th

Next meeting: 11/8/2016 At The Coppertop Rest. 12:30 pm

Humor Corner:

My grandpa started walking five miles a day when he was 60. Now he's 97 years old, and we don't know where he is.

Why is it that if someone tells you that there are 1 billion stars in the universe you believe them, but if they tell you a wall's paint is wet, you will touch it to be sure?

Miss Universe pageant is fixed. All the winners are always from Earth.
