Runners hydrating before race

Medals

In spite of the humid weather, the race went off as planned. Plenty of Water and power drinks were available for the runners. A special thanks to Richard Homeyer and his two sons from the Camillus Parks and Recreation Dept. for setting up the race, the Camillus Fire Department whose space we used, and the Camillus Police who directed traffic. With the help of our 26 Sponsors we were able to net \$2,000 for distribution to local organizations. We are making plans for next year's race to be held on Towpath Day Saturday, August 12th 2016.

At our August 16th Meeting Kim Frodelius asked Rotarian, Brian Kesel, to introduce our guest speaker Todd Freeman, Principal of Split Rock Elementary School whose topic was the West Genesee School's District Safety Program. Todd talked about the preparedness of the district and accommodation that can be made in an emergency. The training is ongoing and extensive for staff preparing for potential emergencies. The school staff and officials are joined with National Grid, Camillus Police and other first responders in both their drills and training.

Next Meeting: Tuesday, August 23, 2016. Let's have a good showing to welcome our District Governor.

Missed but always welcomed. Hope to see you soon
