News Letter September 15, 2014

President Drake opened the Monday with a loud gong and the pledge of allegiance. Hal gave the blessing. Our Guest speaker was introduced.

Our Guest Speaker, Chris Rogers, Hospital Administrator of Auburn Hospital and founder of the Cayuga County VA Clinic. Presented information on the status of the VA hospitals. He indicated that the demand is very high and there is a shortage of 800 physicians. The VA is increasing the reimbursement for medical doctors and hiring Physician Assistance to facilitate the care and treatment. He is proud of the work the Cayuga County VA clinic is doing and is still thriving for the past 14 years. Dr. Rogers' background includes CEO for the hospital, a graduate of Yale University, and his beginning years at the Albany Medical Center. DR. Rogers also shared his personal experience with medical research and the advances that have been made because of research. His wife is a cancer survivor who benefited from the new research. We tank Dr. Rogers for his enlightening presentation.

President Drake awarded him with our blue coffee cup.
