Guest Speaker:

Jacki Hannon from ACR Health formerly the Aids Community Service has expanded its advocacy for some 200+ Diseases. ACR Health was created in 1983 as a non-profit community based providing support services to individuals with chronic diseases, including HIV/Aids, diabetes, heart disease, obesity, asthma, substance use disorders, and serious mental illness. Jacki told stories of children in our schools who are abusing prescription drugs and heroine. Information provided was extremely informative. Thanks Jackie. The 23 Aides Walk Run is scheduled for June 7th at 10 AM Beaver Lake Nature Center.

Membership:

Let's continue the good work of bringing in new members. New ideas and greater participation in Community service will also grow as membership grows.

The winning **50/50** ticket was drawn by John Rohner. John elected to draw from the deck for a chance to win the larger prize now \$675.00. After studying the deck for 2minutes John drew the 4 of spades. Once again members and guests have a chance to win the biggie next week. Close to \$700.00

Next Meeting: May 5th at 12:30 PM. At Coppertop. Club Assembly.
