

## **Investment Policy**

12/21/2010

1. It is the policy of the club to invest in Quality Stocks, BAA or better rated Bonds, and/or Mutual Funds.
2. Risk level should be low to moderate risk investments.
3. Withdrawals will be made by the Board of Directors with advice from the Finance Committee. The amount will be based on the needs of the club. Every effort will be made to insure the corpus of the investment and only distribute the proceeds of the fund.
4. A review of the fund will be made no less than annually with the Investment Advisor. Statements quarterly will be reviewed by the Finance Committee.

Respectfully Submitted,

George A. Mango, Chairperson Finance Committee
