Call to Order: President Kimberly cracked the gavel promptly at 12:30. In the true spirit of Rotary we pledged our allegiance to our flag, George led us in an on key rendition of God Bless America, and Patrick Smyth gave the blessing.

Kim introduced our guests, our speaker **Alberta Messer, and PJ Scott**, District Chair of the Rotary Foundation. The business part of our meeting included a report on our efforts to assist Joseph House in their fundraising raffle. They sold over 20,000 tickets. Matt Iudice thanked the members who went to the Carousel Mall to sell tickets. Bring your money for the sale of coupon books next week. Matt will not be here but Stan will collect the money.

Drug Collection Saturday 9/26: Steve Poli wanted to remind you that the collection is this Saturday. We need one more member to cover 10-12 noon at Walgreens. Please volunteer.

A reminder from Peter Leofsky to sell your table for the **October 1st Community luncheon**. Please let Pete know who will be at your sponsored table.

Guest Speaker: Patrick Smyth introduced our guest speaker Alberta Messer, a Rotarian engaged in the Guatemala Water Project. Alberta narrated a power point presentation on **the Clean Water and Sanitation project in Guatemala**. The photo's of the country and its people were touching and demonstrative of the grave situation that exists in the remote towns of Guatemala. Rotary is a major participant in this joint effort to remote contamination and improve both the sanitation and quality of the water that is causing many afflictions of the children and people of Guatemala. Funds are needed to match the International Rotary foundation's grant. Which is in the process of being applied for. Our local Rotary club can participate by each of us contributing to the "SHARED" Rotary Foundation for Every Rotarian

The Rotarian's 4- Way Test:

- Is it the **Truth**?
- Is it **Fair** to all concerned?
- Will it build **Goodwill** and better **Friendships**?
- Will it be **Beneficial** to all concerned?

Here is this weeks Chuckle:

Three friends married women from different parts of the world.....

The first man married a Greek girl. He told her that she was to do the dishes and house cleaning. It took a couple of days, but on the third day he came home to see a clean house and dishes washed and put away...

The second man married a Thai girl. He gave his wife orders that she was to do all the cleaning, dishes and the cooking. The first day he didn't see any results but the next day he saw it was better. By the third day he saw his house was clean, the dishes were done, and there was a huge dinner on the table...

The third man married a girl from Ireland. He ordered her to keep the house cleaned, dishes washed, lawn mowed, laundry washed, and hot meals on the table for every meal. The first day he didn't see anything, the second day he didn't see anything either but by the third day, some of the swelling had gone down and he could see a little out of his left eye and his arm was healed enough that he could fix himself a sandwich and load the dishwasher. He still has some difficulty when he urinates...
