Call to Order: President Kimberly began the meeting promptly at 12:30 with the pledge of Allegiance. George sang a verse of My Country Tis of Thee, and Matt gave the invocation.

Guests: Michael McGovern, District Governor and his wife, and Colleen Weibel Assistant Governor for Region 6.

Squeals and Confessions: The members present had a lot to say, as a result the fine box grew exponentially.

Correspondence: President Kimberly, read a thank you from Ronald McDonald house and an invitation to attend a breakfast and tour of the facilities on November 5th at 8:30AM.

Update on Tony Adorante's condition. Tony is in the VUMC hospital in Amsterdam. His condition will require a triple bypass and valve repair. They were hoping that they could bring him home for the procedure but the doctors felt he was not well enough to travel. Plans are being made to do the surgery next week. Lucille is at a guest house associated with the hospital. She is to be joined by her daughter. Keep tony and Lucille in your prayers.

Finance Meeting: A finance committee meeting will be held after the club assembly on November 1th. Committee members please plan on staying an extra 1/2 hour. Motions are needed for a continuing resolution to guide our investments and a policy for distribution.

Book Sales: For the Fair sales we received a check for \$1,040, and are expecting approximately another \$1,300. Good job Matt and fellow Rotarians.

Community Recognition Luncheon: Pete reported that we had 100 people in attendance and netted \$800.00. Great job Pete!

The Rotarian's 4- Way Test:

- Is it the **Truth**?
- Is it **Fair** to all concerned?
- Will it build **Goodwill** and better **Friendships**?
- Will it be **Beneficial** to all concerned?

Guest Speaker: District Governor Henry "Mac" MacDonald was warmly welcomed by our club. Mac encouraged the Club Rotarians to participate in the Foundations Fundraising efforts. While we give to many causes we often times forget Rotary. When asked what is Rotary answer the question from a personal note of what rotary is to you? The polio eradication Campaign is down to two country's Afghanistan and Pakistan. Today there are 51 cases of polio in the world. The next large effort Rotary will be working on is clean water. Currently many places throughout the world drink contaminated water causing many diseases and deaths. Your gifts are most important to help people in need both internationally as well as locally.

"Macs" closing remarks:

"When you gift of your time in service you touch lives
When you gift your resources you uplift lives
When you gift both, with love and compassion
You, yourself, become a gift to the world and to humanity."

50/50 Cheryl Hevier won and elected to draw for the Queen of Spades. Unfortunately she drew another spade and the Queen lives on.

Next meeting: Tuesday, October 27th at 12:30PM. Please join us in our weekly gathering and fellowship.

Have a great week!
