Call to Order: President Kimberly called the meeting to order with the crack of the gavel. After the pledge of Allegiance Neal led us in a patriotic song. Matt gave the invocation and the meeting began.

Squeals and Confessions: George announced the birthday of his wife, Nancy and significant happy dollars were raised from President Kim who has been busy at work the past couple of weeks. All in all \$15.00 filled the hat.

Club reports were limited. Secretary gave an update on the progress of the potential service activity to adopt a section of roadway to maintain. Further exploration is needed and the membership must be polled.

Treasurer was not present and his report is deferred.

George reported on **the Foundation Brunch** which was well attended by our district clubs. It was a great opportunity to see the work of our district in both local district projects and global projects funded through the Foundation. Each Rotarian is asked to make an annual contribution of at least \$50.00 to the Shared account which supports both local and global projects and counts towards your Paul Harris fellowship.

Rotary Leadership Training in Canandaigua, NY was attended by George. This was his third session and he attained his graduation pin. All members are encouraged to attend the leadership training seminars run by the district. The discussion groups and member sharing is the purpose of the sessions and are both informative and motivating.

Open Discussion: Kimberly lead the club in a discussion on Membership. Assignments were made to follow up with individual members to explore what their interests and passions are as they relate

to Rotary. Members are encouraged to attend at least one meeting a month and participate in a service activity in their community either local or global. George reiterated that we are not a luncheon club but rather a service club. Ideas were shared with respect to our projects. To get a better handle on community needs we need means to assess the community. Meetings with other community groups to explore collaborative projects. Discussion groups with community representatives to assess needs. The goal being to provide relevant service either as a club or as a participating collaborative.

Members present were assigned to meet with members not present and ask them to become more active in a community activity.

Next meeting: Tuesday, November 17 at 12:30PM. Please join us in our weekly gathering and fellowship.

All new members and existing members who have not been very active are encouraged to come to share their interests. As a club we exist for more than lunch. Let's work on our "Service above Self" motto and become engaged.

Have a great week!
