District 7150

Newsletter

Danielle LaTour, Community Development Manager for the North East Region of the American Cancer Society spoke to a small group of club Rotarians attending our Monday evening meeting at the Twin Trees Too on Milton Ave. Danielle provided opportunities for volunteering and her organizations fight for victims of cancer.

President George appointed Cheryl Hevier chairperson for our club's book for the world project. Once again, The Friends of Solvay library contacted us to help with the removal of unsold books at their annual book sale to take place on the 18th, 19th, & 20th of May. As we did last year club members volunteered to package books on to two pallets after the sale was over on Sunday 20th after 3PM. It took approximately 2 hours and we loaded the books onto a truck provided by office Solutions. George has contacted office solutions for the availability of the truck and talked with Hal Brown from the District to arrange for two pallets. It will cost the club \$250.00/pallet for shipping. We just need Volunteers. Contact Cheryl for helping 315 243-7221.

George also appointed Chris Bloome to chair the Bike lending program at the Canal Park. This program hopefully will be supported with a district grant. Chris will be in touch with the Beebe's

Weekly Meeting

Tuesdays, 12:30 pm

Copper Top Tavern
Milton Ave
Fairmount, NY

The Rotarian's 4- Way Test:

- Is it the **Truth**?
- Is it **Fair** to all concerned?
- Will it build **Goodwill** and better **Friendships**?
- Will it be **Beneficial** to all concerned?

Camillus-Solvay-Geddes
Rotary Club #4830
PO Box 432
Camillus, NY 13031

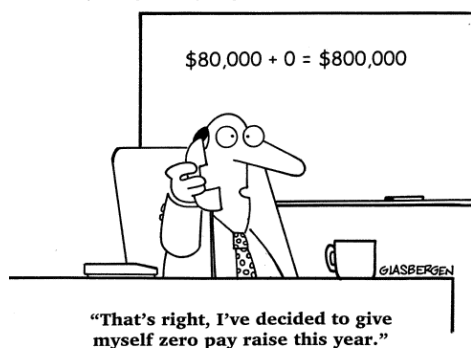

to arrange for site location and develop a procedure for signing a release. We are looking into developing an app that would allow a bike user to use his phone to sign off on a release and provide a code that would be entered to a lockbox containing a key to release the bike from the rack. This was a suggestion of Cynthia Drake.

Tree planting for Earth Day. This year we have been asked to participate in the Rotary challenge of planting a tree for each member of the club. For our club that would be 33 trees. George is contacting Greg Michel executive director of the Onondaga Earth Corp to seek their assistance in planting the trees. There is a meeting scheduled between George and Eric Bacon, Camillus Park director for 4/13/2018 to discuss location and town involvement.

Thanks to all the members who participated in our Districts Passport visits to clubs in our surrounding community. We visited 5 Clubs and gained a good working knowledge of Rotary in our communities. We visited, Marcellus, Skaneateles, Syracuse, Eastwood, and Inner City. Let plan of doing more visits from time to time.
