

Camillus Solvay Geddes Rotary Club

HOT ENOUGH FOR YOU???

TIPPECANOE AND CERLANEK TOO!

Well, we survived our first Kesel presidency crisis!

Thank you for your guidance as we had a politician speak to our apolitical organization.

I gotta make it to August 2 to beat William Henry Harrison's time in office! I think that is doable!

We heard presentations from the Rescue Mission, the Aviation Historical Society of CNY, and Joseph's House.

We held our first **Club Assembly** and established our 2018 - 2019 goals and budget (see story on next page).

ROTARY'S FOUR-WAY TEST OF THE THINGS WE THINK, SAY OR DO

1. Is it the **TRUTH**?
2. Is it **FAIR** to all?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all

We also have a date established for **District Governor Marv Joslyn**'s visit. Circle September 25 so that you can hear his vision of "Be the Inspiration."

And, on Friday, we were given notice that our Club has once again successfully earned a **District Grant**. The District will match our contribution up to \$500 to support bicyclists on the Town of Camillus Erie Canal Park towpath. More information to follow!

And, of course, the **MuleSkinner Race** is in less than two weeks! Participants and sponsors are steadily coming in. You will be contacted about how you can help with our Club's annual major fundraiser.

All in all - not a bad month! I think I will make it passed Harrison's mark.

Yours in Rotary,

CLUB ASSEMBLY APPROVES GOALS, BUDGET

Our Club held our first **Club Assembly** on July 21. President Kesel outlined the goals he has established for the Club. (The 14 goals are in the table below.)

To meet all of the goals, Brian stressed the importance of all members taking an active role in some manner -- even if it is attending one of the 4 social events!

An exciting aspect of two of the goals - Support the Interact Clubs and 6 service projects - is that we meet both goals mutually. When we help the Interactors with their projects (one local and one with a global reach), we are also meeting our Club's obligations.

Another outcome from the Assembly was the rebirth of the **Community Appreciation**

Grow to 35 members	\$250 PolioPlus contribution	4 Social Activities
20 members at service activities	\$2500 Rotary Foundation contribution	Continuously Updated Website
New members sponsored by 3 current members	6 service projects including those with the Interact Clubs	CSG Rotary projects covered by media
RLI participation	RYLA student	District training participation
District conference participation	Interact Club support	

Luncheon. Immediate Past President George Mango has secured **October 25** at the Elks Club for this important community outreach. Clear your schedules and start finding guests to bring! \$25 per person.

The Finance Committee submitted the 2018 - 2019 Budget to the Assembly. It was approved unanimously. To meet our obligations in our Foundation Giving , the Club will support Meals on Wheels, Matthew 25, the Friends of Camillus Park, Josephs House, the Camillus Fire Department, Frances House, and the Chadwick Residence.

Your support of these worthwhile community resources comes through actively participating in Club activities.

Newest Rotary Club of Camillus Solvay Geddes, Nicole Anzalone of Preferred Audiology Care, is welcomed into membership by President Kesel.

Bob Feyl and Tom Kehoskie gave the club an update on their dream of an aviation museum at Reed Webster Park in Camillus. Their vision of the museum telling the story of the Amboy Airport where several innovations in commercial air travel were deployed is coming closer and closer to fruition.

One of the exciting aspects of the project is the potential to connect the Town of Camillus Erie Canal Park tow path to the State's proposed Erie Canalway from Buffalo to Albany.

BLAIR FRODELIUS ROTARIAN OF EXCELLENCE

At the District's **Changing of Guard** ceremony in June, it was my distinct privilege to represent **Blair Frodelius** as he was recognized as The Rotary Club of Camillus-Solvay-Geddes' **Rotarian of Excellence** for 2017 - 2018.

Blair's relentless pursuit of guest speakers provides our members with great insight into our community's dedication to serving others. Every month we hear from several interesting speakers. Blair's commitment to enlightening us continues.

Blair is also the member who keeps us all connected via emails and our website. He constantly and consistently updates our website information and contacts to ensure that our members and our community can be aware of the good work that The Rotary Club of Camillus-Solvay-Geddes provides to our neighbors.

Thank you, Blair, from all of our members, as you epitomize one of Rotary's signature mottoes ...

"Service Above Self."

BRIAN KESEL

President

STAN CERLANEK

President-elect

JOHN ROHNER

Secretary

GEORGE MANGO

Immediate Past President

Torie Shires, Chief Development Officer for the Rescue Mission (and fellow Rotarian) talked to the Club at our July 10th meeting. Did you know the Rescue Mission in Syracuse serves over 230,00 meals a year and gives away 84,000 articles of clothing, household items, and pieces of furniture?
